

ITO Responsibility by Trade / Program

Definition:

Industry Training Organizations (ITOs) are the mechanism by which the ITA gives industry lead responsibility for improving industry training in a specific sector. They are not-for-profit legal entities established by industry and provide services under contract to ITA for designated industry training programs.

Industry Training Organizations

The following are ITA approved Industry Training Organizations:

1. **Automotive Training Standards Organization (ATSO)**

Accredited Programs Assigned

Automotive Painter (*Automotive Refinishing Technician*)
Automotive Service Technician (*Automotive Service Technician Level 4*)
Motor Vehicle Body Repairer (Metal and Paint) (*Automotive Collision Repair Technician*)
Motorcycle Mechanic
Partsperson (*Partsperson – Level 3*)
Recreation Vehicle Service Technician

Recognized Programs Assigned

Automatic Transmission Service Technician
Automotive Glass Technician
Automotive Machinist
Automotive Radiator Manufacturer and Repairer
Automotive Refinishing Prep Technician
Automotive Service Technician (*Automotive Service Technician Levels 1, 2, 3*)
Automotive Upholsterer
Automotive Wheel Alignment and Brake Service Technician
Logistics and Distribution – Level 2
Logistics and Distribution – Level 3
Outdoor Power Equipment Technician
Parts and Warehouseperson – Level 1
Partsperson – Level 2

Foundation Programs Assigned

Automotive Refinishing Prep Technician Foundation
Automotive Service Technician Foundation
Automotive Upholsterer Foundation
Motorcycle Mechanic Foundation

Motor Vehicle Body Repairer (Metal & Paint) (*Automotive Collision Repair Technician*) Foundation
Outdoor Power Equipment Technician Foundation
Parts and Warehousing Person 1 (*Partsperson*) Foundation
Recreation Vehicle Service Technician Foundation

2. Construction Industry Training Organization (CITO)

Accredited Programs Assigned:

Bricklayer (Mason)
Boilermaker (Construction Boilermaker)
Cabinet Maker (Joiner)
Carpenter
Concrete Finisher (*Cement Mason*)
Construction Electrician (*Electrician*)
Floor Covering Installer
Glazier
Insulator (Heat and Frost) (*Heat and Frost Insulator*)
Ironworker (*Ironworker - Generalist*)
Ironworker (Reinforcing)
Ironworker (Structural / Ornamental)
Lather (Interior Systems Mechanic) (*Wall and Ceiling Installer*)
Painter and Decorator
Plumber
Refrigeration and Air Conditioning Mechanic (*Refrigeration Mechanic*)
Roofer
Sheet Metal Worker
Sprinkler System Installer
Tiler

Recognized Programs Assigned:

Architectural Sheet Metal Worker
Construction Formwork Technician
Domestic/Commercial Gasfitter – Class B
Drywall Finisher
Elevator Mechanic
Gasfitter – Class A
Hardwood Floor Layer
Piledriver and Bridgeworker
Plasterer
Security Systems Installer

Foundation Programs Assigned:

Boilermaker (*Construction Boilermaker*) Foundation
Cabinet Maker (*Joiner*) Foundation
Carpenter Foundation
Construction Orientation and Retention for Employment (C.O.R.E.) Foundation
Domestic Commercial Gasfitter Foundation
Construction Electrician (*Electrician*) Foundation
Ironworker (Generalist) (*Ironworker*) Foundation
Plumber Foundation

Refrigeration and Air Conditioning Mechanic (*Refrigeration Mechanic*) Foundation
Security Alarm Installer Foundation
Sheet Metal Worker Foundation
Sprinkler System Installer Foundation

3. go2 (Propel)

Accredited Programs Assigned:

Baker
Cook (*Professional Cook 3*)

Recognized Programs Assigned:

Meatcutter
Professional Cook 1
Professional Cook 2

Foundation Programs Assigned:

Baker Foundation
Cook Foundation
Meatcutter Foundation

4. HortEducationBC (HEBC)

Accredited Programs Assigned:

Landscape Horticulturist

Recognized Programs Assigned:

Arboriculturist (Urban Forestry)
Dairy Production Technician 1
Dairy Production Technician 2 (Herds person)
Florist
Production Horticulturist

Foundation Programs Assigned:

Florist Foundation
Horticulture Technician Foundation

5. Residential Construction Industry Training Organization (RCITO)

Accredited Programs Assigned:

N/A

Recognized Programs Assigned:

Building Envelope Technician
Geothermal Technician
Heating Technician
Locksmith
Log Builder
Residential Building Maintenance Worker
Residential Framing Technician
Residential Steep Roofer

Foundation Programs Assigned:

N/A

6. Resource Industry Training Organization (RTO)

Accredited Programs Assigned:

Electric Motor Systems Technician (*Winder Electrician*)
Instrumentation and Control Technician (*Industrial Instrument Mechanic*)
Industrial Electrician
Industrial Mechanic (Millwright) (*Millwright*)
Machinist
Metal Fabricator (Fitter)
Power Line Technician
Rig Technician 3
Steam Fitter / Pipe Fitter
Tool and Die Maker
Welder B, A

Recognized Programs Assigned:

Lumber Manufacturing Industry – Benchperson
Lumber Manufacturing Industry – Saw Fitter
Lumber Manufacturing Industry – Circular Sawfiler
Planer Mill Maintenance Technician 1, 2
Welder C

Foundation Programs Assigned:

Industrial Instrumentation Mechanic Foundation
Machinist Foundation
Metal Fabricator (Fitter) Foundation
Industrial Mechanic (Millwright) (*Millwright*) Foundation
Steam Fitter / Pipe Fitter Foundation

7. Transportation Career Development Association of British Columbia (TCDA)

Accredited Programs Assigned:

Agricultural Equipment Technician
Heavy Duty Equipment Technician (*Mechanic*)
Transportation Trailer Technician (*Commercial Trailer Mechanic*)
Truck and Transport Mechanic (*Commercial Transport Vehicle Mechanic*)

Recognized Programs Assigned:

Aggregate Plant Operator
Aircraft Maintenance Technician
Aircraft Structural Technician
Asphalt Paving/Laydown
Asphalt Plant Operator
Concrete Plant Operator
Deckhand

Diesel Engine Mechanic
Diesel Fuel Injection Mechanic
Forklift Mechanic
Heavy Equipment Operator
Hydraulic Service Mechanic
Inboard/Outboard Mechanic
Marine Engine Mechanic
Marine Mechanical Technician
Marine Service Technician
Professional (Truck) Driver [Provisional Approval]
Railway Car Technician
Tire Repairer
Transportation Refrigeration Mechanic
Utility Gradesperson

Foundation Programs Assigned:

Diesel Engine Mechanic Foundation
Heavy Duty Equipment Technician Foundation
Inboard/Outboard Mechanic Foundation
Marine Foundation
Road Builder and Heavy Construction Foundation
Transportation Trailer Technician (*Commercial Trailer Mechanic*) Foundation
Truck and Transport Mechanic (*Commercial Transport Vehicle Mechanic*) Foundation
