#### Sponsor / Employer Statement:

The following section lists the topics normally covered in the Module 1 training, which is a prerequisite to entering a Heavy Duty Equipment Technician apprenticeship. In order to be exempt from Module 1 the apprentice should have demonstrated that they have acquired similar knowledge and abilities. **It is important to note that content taught in Module 1 for Heavy Duty Equipment Technician will not be covered again during Levels 1- 4 of technical training. Employers should review the content for all levels of technical training on the Program Profiles. Individuals must meet all requirements below.**

#### Heavy Duty Equipment Technician Please check:

- |                          |  |
|--------------------------|--|
| <input type="checkbox"/> | Safe Work Practices                          |
| <input type="checkbox"/> | Prepare for Employment                       |
| <input type="checkbox"/> | Work Practices and Procedures                |
| <input type="checkbox"/> | Heavy Duty Wheeled Equipment and Attachments |
| <input type="checkbox"/> | Track Machines and Attachments               |
| <input type="checkbox"/> | Wire Rope and Winches                        |
| <input type="checkbox"/> | Hydraulic Systems                            |
| <input type="checkbox"/> | Hydraulic Brake Systems                      |
| <input type="checkbox"/> | Air Brake Systems                            |
| <input type="checkbox"/> | Alternate Brake Systems                      |

By signing this document I confirm that this apprentice has the experience and knowledge to go directly into Level 1 of the trade indicated above and I request hereby that the ITA waive the requirement of completing the Module 1 prerequisite.

Sponsor / Employer Signature:	Date: (YYYY/MM/DD)
-------------------------------	--------------------

*Note:* It is at the sole discretion of an apprentice's Sponsor (employer) to determine whether or not an apprentice has the work experience and knowledge necessary to be exempt for Module 1 as a Heavy Duty Equipment Technician.

This form must be signed by the apprentice's current Sponsor (Employer).
