

Insulator (Heat and Frost)

Inter-provincial examinations – Tasks and related number of questions

Number of questions on each exam – 134

Block	Task	Number of Questions
Section 1- Occupational Skills	Task 1 – Maintain tools and equipment	5
	Task 2 – Organize work	6
	Task 3 – Perform routine trade activities	12
		23
Section 2 – Industrial Application	Task 4 – Installs insulation for piping and fittings	12
	Task 5 – Installs insulation for tanks, vessels and equipment	12
	Task 6 – Installs protective cladding	9
	Task 7 – Installs removable covers	4
	Task 8 – Insulates for refractory and cryogenic applications	4
	Task 9 – Installs underground insulating applications	3
	Task 10 – Insulates for soundproofing for industrial applications	3
	Task 11 – Insulates for marine applications (NOT COMMON CORE)	0
	47	
Section 3 – Commercial Application	Task 12 – Insulates insulation for piping and fittings	10
	Task 13 – Insulates mechanical ducting	8
	Task 14 – Insulates mechanical equipment	8
	Task 15 – Installs protective finishes	6
	Task 16 – Insulates for soundproofing for commercial applications	3
	35	
Section 4 – Asbestos Abatement	Task 17 – Prepares for asbestos abatement	5
	Task 18 – Performs asbestos removal procedures	6
	Task 19 – Performs maintenance repair	2
	13	
Section 5 – Spraying Insulating Materials	Task 20 – Prepares for spraying	3
	Task 21 – Sprays insulation, sealer and coatings	4
	7	
Section 6 – Fire Stopping & Fireproofing	Task 22 – Installs fire stop systems	5
	Task 23 – Installs fireproofing	4
	9
