

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Appliance Service Technician	AIG \$1,000 1800 work based hours	AIG \$1,000 3600 work based hours	ACG \$2,000 Upon Certification
Automotive Painter (<i>Automotive Refinishing Technician</i>)	AIG \$1,000 1680 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Automotive Service Technician	AIG \$1,000 1600 work based hours Level 1 technical training	AIG \$1,000 3200 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Automotive Service Technician 1	AIG \$1,000 Upon Certification	N/A	N/A
Automotive Service Technician 1 (Effective Feb 2013)	AIG \$1,000 1500 work based hours Level 1 technical training CofQ Exam	N/A	N/A
Automotive Service Technician 2	N/A	AIG \$1,000 Upon Certification	N/A
Automotive Service Technician 2 (Effective Feb 2013)	N/A	AIG \$1,000 3000 work based hours Level 2 technical training CofQ Exam	N/A
Automotive Service Technician 4	N/A	N/A	ACG \$2,000 Upon Certification
Baker	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 3600 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Boilermaker	AIG \$1,000 1900 work based hours Level 1 technical training	AIG \$1,000 3800 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Bricklayer	AIG \$1,000 1250 work based hours Level 1 technical training	AIG \$1,000 2500 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Cabinet Maker (Joinery)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Carpenter (For apprentices registered PRIOR to January 1, 2011)	AIG \$1,000 1250 work based hours Level 1 technical training	AIG \$1,000 2500 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Carpenter (For apprentices registered between January 1, 2011 to March 30, 2017)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Carpenter (For apprentices registered on or after March 31, 2017)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Concrete Finisher	AIG \$1,000 1080 work based hours Level 1 technical training	AIG \$1,000 2160 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Construction Craft Worker (Labourer)	AIG \$1,000 2000 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Construction Electrician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Domestic/Commercial Gasfitter (Class B)	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 3600 work based hours Level 2 technical training	ACG \$2,000** Upon Certification
Electric Motor Systems Technician (Winder Electrician)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Floor Covering Installer	AIG \$1,000 1520 work based hours Level 1 technical training	AIG \$1,000 3040 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Gasfitter (Class A)	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000** Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Glazier	AIG \$1,000 1600 work based hours Level 1 (or Mod A & B) Technical Training	AIG \$1,000 3200 work based hours Level 2 (or Mod C & D) Technical Training	ACG \$2,000 Upon Certification
Hairstylist (For apprentices registered PRIOR to January 1, 2016)	AIG \$1,000 1800 work based hours	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Hairstylist (For apprentices registered on or after January 1, 2016)	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Heavy Duty Equipment Technician (For apprentices registered PRIOR to September 1, 2017)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Heavy Duty Equipment Technician (Effective 2014 - Heavy Mechanical Trades) (For apprentices registered on or after September 1, 2017)	AIG \$1,000 1595 work based hours Level 1 technical training	AIG \$1,000 3190 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Instrumentation and Control Technician (Industrial Instrument Mechanic)	AIG \$1,000 1560 work based hours Level 1 technical training	AIG \$1,000 3120 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Industrial Electrician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Industrial Mechanic (Millwright)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Insulator (Heat and Frost)	AIG \$1,000 1480 work based hours Level 1 technical training	AIG \$1,000 2960 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Ironworker (Generalist) (For apprentices registered PRIOR to September 1, 2016)	AIG \$1,000 1400 work based hours Level 1 technical training	AIG \$1,000 2800 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Ironworker (Generalist) (For apprentices registered on or after September 1, 2016)	AIG \$1,000 1580 work based hours Level 1 technical training	AIG \$1,000 3160 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Ironworker (Reinforcing) (For apprentices registered PRIOR to September 1, 2016)	AIG \$1,000 1600 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Ironworker (Reinforcing) (For apprentices registered on or after September 1, 2016)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Landscape Horticulturist	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Lather (Interior Systems Mechanic)	AIG \$1,000 1125 work based hours Module A technical training	AIG \$1,000 2250 work based hours Module B technical training	ACG \$2,000 Upon Certification
Machinist	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Metal Fabricator (Fitter)	AIG \$1,000 1600 work based hours Level 1 technical training	AIG \$1,000 3200 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Mobile Crane, Lattice Boom Hydraulic (For apprentices registered PRIOR to January 1, 2017)	AIG \$1,000 2010 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Mobile Crane, Lattice Boom Friction (For apprentices registered PRIOR to January 1, 2017)	AIG \$1,000 2010 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Mobile Crane Operator (For apprentices registered on or after January 1, 2017)	AIG \$1,000 1660 work based hours Level 1 technical training	AIG \$1,000 3320 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Motor Vehicle Body Repairer (Automotive Collision Repair Technician)	AIG \$1,000 1688 work based hours Level 1 technical training	AIG \$1,000 3376 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Motorcycle Mechanic	AIG \$1,000 1525 work based hours Level 1 technical training	AIG \$1,000 3050 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Motorcycle & Power Equipment Technician	AIG \$1,000 1680 work based hours Level 1 technical training	AIG \$1,000 3360 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Oil Heat System Technician	AIG \$1,000 1600 work based hours	AIG \$1,000 3200 work based hours	ACG \$2,000 Upon Certification
Painter and Decorator	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 3600 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Parts and Warehousing Person 1	AIG \$1,000 Upon Certification	N/A	N/A
Partsperson 2	N/A	AIG \$1,000 Upon Certification	N/A
Partsperson 3	N/A	N/A	ACG \$2,000 Upon Certification
Plumber (For apprentices registered PRIOR to January 1, 2011)	AIG \$1,000 1405 work based hours Level 1 technical training	AIG \$1,000 2810 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Plumber (For apprentices registered on or after January 1, 2011)	AIG \$1,000 1605 work based hours Level 1 technical training	AIG \$1,000 3210 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Power Line Technician	AIG \$1,000 2117 work based hours Level 1 technical training	AIG \$1,000 4234 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Professional Cook 1	AIG \$1,000 Upon Certification	N/A	N/A
Professional Cook 2	N/A	AIG \$1,000 Upon Certification	N/A
Professional Cook 3	N/A	N/A	ACG \$2,000 Upon Certification
Recreational Vehicle Service Technician	AIG \$1,000 1160 work based hours Level 1 technical training	AIG \$1,000 2320 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Refrigeration and Air Conditioning Mechanic	AIG \$1,000 1444 work based hours Level 1 technical training	AIG \$1,000 2888 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Rig Technician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Roofer	AIG \$1,000 1200 work based hours Level 1 technical training	AIG \$1,000 2400 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sheet Metal Worker	AIG \$1,000 1420 work based hours Level 1 technical training	AIG \$1,000 2840 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sprinkler System Installer	AIG \$1,000 1420 work based hours Level 1 technical training	AIG \$1,000 2840 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Steamfitter Pipefitter	AIG \$1,000 1420 work based hours Level 1 technical training	AIG \$1,000 2840 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Tilesetter	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Tool and Die Maker (For apprentices registered PRIOR to Jan 1, 2011)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Tool and Die Maker (For apprentices registered on or after Jan 1, 2011)	N/A	N/A	ACG \$2,000 Upon Certification
Tower Crane Operator (For apprentices registered PRIOR to January 1, 2017)	AIG \$1,000 Level 1 technical training	AIG \$1,000 Upon certification	ACG \$2,000 Upon Certification
Transport Trailer Technician	AIG \$1,000 1650 work based hours	AIG \$1,000 3300 work based hours	ACG \$2,000 Upon Certification
Transport Trailer Technician (Effective 2014 - Heavy Mechanical Trades)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 Upon certification	ACG \$2,000 Upon Certification
Truck and Transport Mechanic	AIG \$1,000 1485 work based hours Level 1 technical training	AIG \$1,000 2970 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Truck and Transport Mechanic (Effective 2014 - Heavy Mechanical Trades) (For apprentices registered PRIOR to September 1, 2017)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Truck and Transport Mechanic (Effective 2014 - Heavy Mechanical Trades) (For apprentices registered on or after September 1, 2017)	AIG \$1,000 1595 work based hours Level 1 technical training	AIG \$1,000 3190 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Welder (For apprentices registered PRIOR to March 31, 2017)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Welder (For apprentices registered on or after March 31, 2017)	AIG \$1,000 1540 work based hours Level 1 technical training	AIG \$1,000 3080 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Welder A	N/A	N/A	ACG \$2,000** Upon Certification
Welder B	N/A	AIG \$1,000 Upon Certification	ACG \$2,000** Upon Certification
Welder C	AIG \$1,000 Upon Certification	N/A	N/A

**ACG for Welding can be claimed once only either with Welder B or Welder A certification

**ACG for Gasfitter can be claimed once only either with Domestic/Commercial Gasfitter B or Gasfitter A cert'n
