System Liaison Person  
School Districts

**Subject:** **ITA Standardized Level Exams and the 2015 National Canadian Plumbing Code**

**RE:** **OPSN 2016 017**

**Effective Date:** Immediately

**Information:** A recent review has been performed on the ITA Plumber Standardized Level Exams to ensure these exams are compliant with both the 2010 and 2015 versions of the National Plumbing Code. Use of either Code Book has been approved for the Plumber Level 2 and Level 3 exam.

The Inter-Provincial Red Seal Exam still requires the 2010 National Plumbing Code. All Inter-Provincial Red Seal Exams have the appropriate code book(s) supplied when required for an examination. The 2010 National Plumbing Code Book will be supplied at any upcoming scheduled sittings of the Plumber IP Red Seal Exam.
