Subject: **Addition of Cross-Program Credit to Harmonized Refinishing Program**

From: ITA Program Standards

Effective Date: April 1, 2021

Summary: Please be advised that a cross-program credit has been added to the Harmonized Automotive Refinishing program, effective **April 1, 2021**.

Details: Trade workers who hold a Certificate of Qualification (CofQ) for Automotive Refinishing Prep Technician will be given credit for Level 1 in the Harmonized Automotive Refinishing Technician program.

The addition of this cross-program credit is necessary to facilitate the transition of Automotive Refinishing Prep Technician CofQ holders into the Harmonized program. The Program Profile and Program Outline for the Harmonized Refinishing program have been updated to reflect this change.
