Subject **Heavy Mechanical Trades Level 2 Standardized Level Exam (SLE) Weighting Chart**

From ITA Program Standards

Effective Date Immediately

Information Please be advised that the weighting chart for the current Heavy Mechanical Trades Level 2 Standardized Level Exam (SLE) has been updated. The weighting has not changed. The update provides a more detailed breakdown of the Level 2 General Areas of Competency (GACs).

The previous chart listed Level 2 in terms of GAC D ELECTRICAL (25%) and GAC H ENGINES AND SUPPORTING SYSTEMS (75%) only. The updated version provides the exam weightings for all competencies therein, e.g., D5. 5%; D7; 5%.

The weighting chart can be found at <https://www.itabc.ca/sites/default/files/docs/heavy-mechanical-trades-level-1-to-3-exam-weighting-chart-jan-2020.pdf>
