Subject **ITA Horticulturist Foundation program name change**

From ITA Program Standards

Effective Date Immediately

Information

Prior to the harmonization of Landscape Horticulturist and the de-activation of Production Horticulturist, the ITA Horticulturist Foundation program was named Horticulture Technician Foundation. Following the de-activation of Production Horticulturist and harmonization of Landscape Horticulturist, the ITA Foundation program has been named Landscape Horticulturist Foundation. This naming appears in the Credentialing Models of the Harmonized Program Outline and Program Profile on the ITA website.

No action is required on the part of Training Providers, agencies or institutions. There is no requirement for Training Providers, agencies or institutions to change their current Foundation program names to coincide with the ITA naming.
