

FIELD ARBORIST

Occupation Description

A “Field Arborist” is a certified tradesperson who prunes and performs other work of Climbing Arborists on trees from a ground and aerial situation, including climbing and aerial bucket work. In addition, Field Arborists develop and implement Integrated Pest Management and Plant Health Care plans, develop tree preservation strategies, inspect sites and trees for damage and hazards, perform job estimating, tree inventories, and tree appraisals. They also prepare reports in the technical areas described above and perform supervisory duties.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the ITA website.

Pathways to Certification

In BC, an individual can become certified as a Field Arborist by completing the Field Arborist program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Mathematics 10 and Science 10
- Preferred: Grade 12

ITA Registration

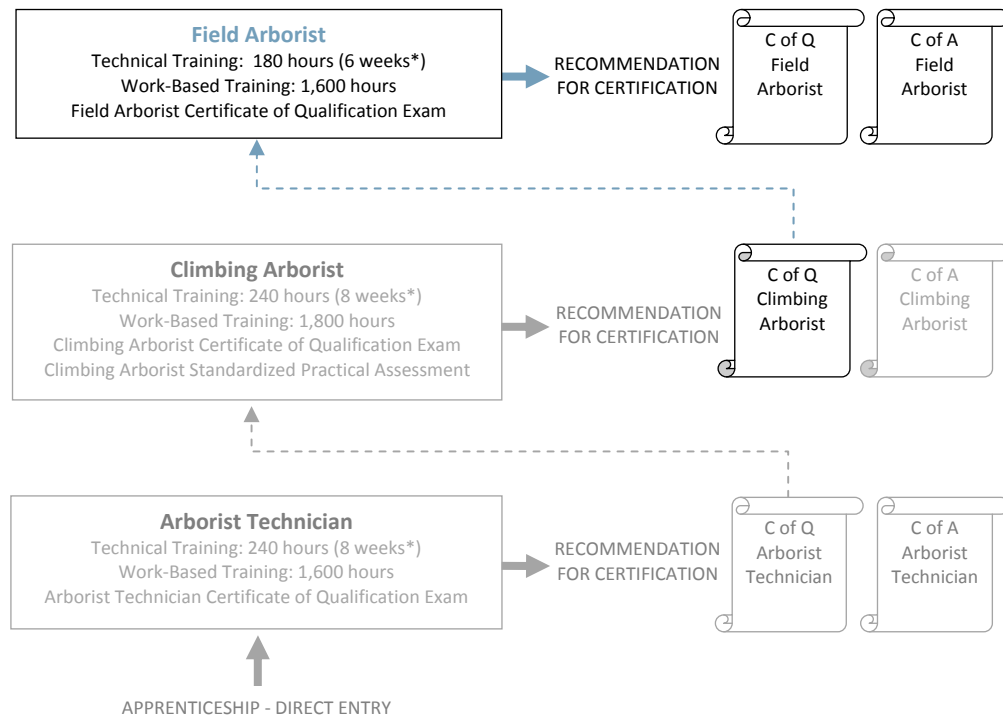

Individuals who wish to begin an apprenticeship in this program must register with ITA along with their sponsor. Application forms are available from the ITA website. Online registration is also available for most programs through the ITA website.

Those who wish to challenge the Field Arborist certification must complete the Field Arborist Challenge Application and submit it to ITA. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.

Apprenticeship Pathway
