HORTICULTURE TECHNICIAN FOUNDATION

Occupation Description
The program is intended to serve as a common core towards years one and two of Production Horticulturist, Landscape Horticulturist and Arboriculturist (when developed) and enable graduates to follow three possible career paths:

1. Entry into industry as skilled worker
2. Academic credits towards second year of 2-year diploma program
3. Entry into level three of Horticulture (Production & Landscape) Apprenticeship Program

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the ITA website.

Pathways to Certification
Foundation programs provide adults and youth who do not have work experience or employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation.

Recommended Education
The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Mathematics 10 and Science 10.
  Preferred: Grade 12

ITA Registration
Individuals who wish to enroll in a Foundation program must register directly with the training provider.
