To qualify to challenge the Multi-Process Alloy Welding Endorsement, you must:

- Be a certified journey person, holding a Welder Certificate of Qualification with Red Seal Endorsement **or** Welder B Certificate of Qualification with Red Seal Endorsement
- Have worked a minimum of **1,350 hours** as a journey person in the industry performing work specific to Multi-Process Alloy Welding, and
- Have experience performing **all** the welding procedures and other related job tasks listed in section D of this form.

To obtain an ITA endorsement in this trade via challenge, requires successful completions of the following two exams:

1. The ITA Multi-Process Alloy Welding Endorsement exam, which will be administered by the Industry Training Authority, and
2. The Multi-Process Alloy Welding practical exam, which will be administered by the nearest welding college or testing institution on behalf of the Industry Training Authority

Scheduling and payment for the practical exam must be arranged through that institution. For further information regarding the practical exam and the fee structure, please contact the nearest welding college or testing institution.

This form is used to declare work experience for periods of employment. The information provided is used to verify the applicant's work experience in this trade. This form must be completed by a **direct supervisor of the applicant**, who will be contacted by the Industry Training Authority (ITA).

**Note:** An Employer Declaration of Work Experience form must be completed by each Employer listed on the applicant's completed Application form. A Statutory Declaration of Work Experience form must be completed for periods during which the applicant was self-employed or a previous employer is unavailable to complete an Employer Declaration. For more information, see **Instructions for Certification Challenge**.
